Are you sick of playing the piano for your parents? Don't want to practice anymore? this book is the ultimate cure.. Get back to those days when playing the piano was FUN! with titles like November Rain, 14 Days, Don't Cry.. and more this book is EXCELLENT! As soon as I got it, I went to my friend's house, picked up the guitar, my friend came over, and we played songs from this book over an hour. Thank you Guns N Roses and Thank You Mark Phillips who made this book fun and easy to use.Song List:Knockin' On Heaven's DoorLive And Let DieNovember RainDon't Cry (Original)YesterdaysDust N' BonesYou Ain't The FirstCivil War14 YearsSo FineEstrangedP.S guitar solos are arranged for the piano

This book is VERY good. Although not stricly what is played on the albums, it does have the solos transcribed for piano so you don't have to be playing with Slash! Also has that f@*king great piano solo that Axl plays in Estranged!!If you play the piano you must buy this book, regardless of whether you like GN'R or not.

This is a great book if you like jamming out on a keyboard with GNR greats. It has Nov Rain, Estranged, Live and Let Die, Knocking, Dont Cry, Dust and Bones, 14 Years, So Fine, You aint the first, and Yesterdays. If youre a GNR fan, and can play piano, this is a great book.

I like Guns N Roses. My mom doesn't really care for them. She got a piano for her b-day, so I decided to get her a couple song books. This book has some pretty sweet GnR songs, and they are nicely arranged for playing on piano.

I bought this book thinking that it would have the tablature for piano of Gun's musics. It does but all musics were ADAPTED for piano. They are not how they really play. Sorry I hate being fooled.

I have ordered it for my teenage son an amateur, not very enthusiastic piano player. But the book changed everything, he has been practising like a pro since he got it. Started with Dont cry, moving on to november rain in a month.
