Get By In Japanese

Synopsis

Get By in Japanese is devised specifically for travellers. The 70-minute download will help you to get to grips with the basics of spoken Japanese, and introduces the most relevant language you'll hear when you're there. Listen to the audio a couple of times to practise the key phrases and vocabulary, and familiarise yourself with Japanese pronunciation. There are seven sections, covering essential topics such as: Bare Necessities - greetings, talking about yourself, asking for things, numbers, changing money Getting Around - asking for directions, buying petrol, travelling by bus and train Somewhere to Stay - finding somewhere to stay, asking about facilities, checking in, asking for help, checking out Buying Things - buying groceries, buying clothes, colours, at the department store, at the post office Eating Out - finding somewhere to eat, asking about the menu, ordering, discussing special requirements, complaining, paying the bill Entertainment - finding out what's on, getting more information, buying tickets Emergencies - getting help, explaining problems to a doctor or a dentist, at the chemist's, at the police station The English narrator and two native Japanese speakers introduce the key phrases and vocabulary. In each section there are a couple of short dialogues where you can check out the language you have heard, with questions to focus your listening. At the end of each section there is the opportunity to practise what you've learned in a guided dialogue "as if you were there". This download comes with a free booklet, which gives the key phrases and dialogues as they appear on the audio. Download the accompanying reference guide.
