Tudor And Elizabethan Fashions (Dover Fashion Coloring Book)

Synopsis

Spanning over a century of English history, the Tudor dynasty witnessed the steady growth and development of commerce between England and the European continent. One of the ways the resulting prosperity manifested itself was in the fashions worn by English monarchs and the growing middle class. That clothing is documented in this new addition to Dover's popular coloring book series on the history of fashion. Encompassing clothing dating from the late fifteenth century to the early 1600s, 45 plates of accurate, ready-to-color illustrations depict apparel worn by a broad spectrum of English society — from country workers in woolen tunics and leather boots and sailors in canvas breeches and shirts to officials in fur-trimmed robes and elegantly clad Tudor monarchs such as Henry VIII and his daughter, Elizabeth I. Also shown are numerous period hairstyles, headgear, shoes, gloves, jewelry, and other fashion accessories. Accompanied by a fact-filled Introduction and identifying captions, these handsome, carefully researched and meticulously rendered illustrations will delight costume historians, fashion designers, and coloring book fans of all ages.

Book Information

Series: Dover Fashion Coloring Book

Paperback: 48 pages

Publisher: Dover Publications (September 25, 2000)

Language: English

ISBN-10: 0486413209

ISBN-13: 978-0486413204

Product Dimensions: 0.2 x 8 x 10.5 inches

Shipping Weight: 5.6 ounces (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars — See all reviews (17 customer reviews)

Best Sellers Rank: #360,170 in Books (See Top 100 in Books) #49 in Books > Children's Books > Activities, Crafts & Games > Crafts & Hobbies > Needlecrafts & Textile Crafts #64 in Books > Crafts, Hobbies & Home > Antiques & Collectibles > Textiles & Costume #91 in Books > Children's Books > Arts, Music & Photography > Art > Fashion

Age Range: 11 - 14 years

Grade Level: 6 - 8

Customer Reviews

I bought this coloring book by Tom Tierney because of my 12 year old's delight in his art work. She

has enjoyed the historical notes at the bottom of each page. She had several of his books in the past and was so pleased with them that she asked for more, even if it meant reordering the same coloring books. My seven-year-old granddaughter has also enjoyed them. The simple line drawings are easy to color. In several of the books, Tierney instructs the reader on the colors that would have been used in the fabrics; in others, he doesn't, allowing the child to use her imagination. I would heartily recommend this book for homeschoolers who want their children to understand fashions in the historical periods they are studying.

I just purchased these Dover COloring Books for my mother and she loves them. The detail is out of this world and the variety of colors you can use are only limited by your inagination. HIGHLY RECOMMENDED!

I would recommend this book to anyone interested in the fashionable people who lived during this time period! Full of information about the fashions. For those of us who like historical novels, or just are interested in period fashions. On the last few pages Tom Tierney has compiled some excellent drawings of headwear (giving one the opportunity to get some practice in coloring faces), footwear, etc. What a great idea, which he has incorporated into a few of his fashions coloring books. I do have a couple of complaints: too much black ink on some pages - pictures are back to back. I would have welcomed more info on color choices that would have been available during that period. For the price, Dover Publications has done a wonderful job putting together Mr. Tierney's work. I do recommend his other collections, published by Dover Publications.

My pre-teen granddaughter loves art, fashion and the Renaissance Fair (for which I make her costumes) . This was a shoe-in as an extra Christmas gift. And I will be able to use it for reference material for the costumes I make. These are beautifully executed drawings, historically correct for the period.

I love all the fashion books Dover publishes. And those illustrated by Tom Tierney are excellent. Lots of small details to color in. If you are interested at all in the time period, this is a must-buy. Also, as a writer, I often use these fashion books if I'm writing in the time period. I can design a costume for my character!

This is a beautifully done book of artwork. I am venturing into a new medium, colored pencils. These

are great to help me to learn shading techniques while having a little fun. They also have helped to visualize what my ancestors might have dressed in. One more note, I bought these to work with a family member suffering from dementia/AD. She really enjoyed them as well.

This is a coloring book of Tudor Fashions. I like the fact that I can copy and color in the way I want a costume to look. Fairly historically accurate.

This is a useful reference work, not for creating the actual costumes (unlike how-to books) but to get a sense of the wardrobe of the period.
