Resist Me: Men Of Inked, Book 3

Synopsis

Izzy Gallo has never been described as a member of the weaker sex. She's a woman who doesn't take shit from anyone. Growing up with four older, overprotective brothers has hardened her, making her a force to be reckoned with. Against the wishes of her two brothers, Joe and Mike, Izzy takes a weekend trip to Bike Week in Daytona and turns her world upside down. Over her head, in a world she doesn't understand, there's only one man who can save her. James Caldo has dedicated his life to protect and serve as a member of the DEA. He's cocky, overbearing, and doesn't take no for an answer; the Gallo men have nothing on him. When their paths cross, James makes Izzy question everything she believes about completely surrendering to the opposite sex. Does James have what it takes to overpower the headstrong Izzy, capturing her heart forever?

Customer Reviews

Chelle Bliss brings back my favorite two people as Isabella is thrown into a situation that isn't easy to get out of. She takes us down a road of cat and mouse and this time there will be no running without a chase. Isabella Gallo is still well, Izzy. Just as sassy, bawdy, and bullheaded as before. But this time we get to not only see, but experience the MORE that James saw within her. We get to see her falling in lo... and it's beautiful, breathtaking, exhilarating, even scary all at once. "This could be the destroyer of all men who might grace my future. James was wrecking me and doing it on f----- purpose." James Caldo, my goodness... Ugh, this man! I love him, like seriously in all his domineering ways. But, what I loved the most about him was the strength he has. I mean, let's be honest. Izzy is not a roll over type of chick, so you have to be a strong man to go up against her.

Even when she pushes him away, he doesn't walk completely away. This is a man who knows what he wants and doesn't mind chasing if it means getting him her. Plus, did I mention he is skilled and well endowed in ALL aspects..."You know you want me," I growled, my lips a breath away from hers. "I wrecked you for any other man. I own your a-- , Izzy. I'll let you run, but you can't resist me forever." Together, Izzy and James are a force to be reckoned with. Their banter had me smiling the entire time. Their chemistry is even hotter than before, if that's even possible, and believe me it is! Seriously that one scene though, ugh it was so hot my kindle overheated each of those three times I read it. Can we say animalistic sexuality? THEY CAN *fans self*"I was breathless and wanton. I would've professed my love and a horde of children to this man for a single orgasm." "I had particular tastes. Most people do. I didn't do missionary style with rose petals spread across the bed. I liked s--- raw and rough, and I wanted to be in total control." Add in all the twists and turns, plus the glimpses of what will go down in Thomas' story that Chelle Bliss throws at us and you are lucky if you make it out of this one without suffering from heart palpitations! I'm a nervous wreck, wanting more of James and Isabella. Wanting to submerge myself into their love story so deep that I don't know anything but them. I just want MORE of THEM and NOW, ugh... it's something about that man and the way he doesn't relent when it comes to her. "I waited all my life to find someone that lights my fire like you do, Izzy. Nothing can put out that flame."

After reading the other stories, I was so ready for Izzy's book. I just knew when a man came into Izzy's life it was going to knock her down a few notches and believe me James did just that and so much more!!!! This book has been the most emotional one so far because Izzy refuses to believe in love or that any man can change her but James knows that Izzy is different and he is just the man for her. I could understand why Izzy didn't want to be tied down at first. She had a wonderful childhood and her parents loved each other but when surrounded by nothing but overbearing men your whole life I am sure it would drive any woman crazy. I honestly think James is the most dominant man in this series so far. He definitely does not put up with Izzy's mouth or her fits she throws. James is so brutally honest and I fell in love! I hate spoilers so you have to read this book and now I am ready for Thomas! Chelle has hooked me on this series AMAZING!

Izzy Gallo is my ****ING HERO! She is a BADA** who says what she wants, when she wants and gets what she wants, when she wants it! That is....until James Caldo shows up in her life AGAIN!

These two are explosive together, and frustrating as hell apart! James wants to tame this wildcat, but she is not submitting. The interaction between the two were spot on, hilarious, and steamy at best! I knew Chelle Bliss was going to do right by Izzy in her story, and she did in a big way. James is EVERYTHING that Izzy has tried to avoid in the opposite sex. He is demanding, hard-headed, and an all out dominant in the bedroom. He wants to be in charge when sex is involved, and Izzy is having NONE OF IT! These two collide in such a way, where the walls start to crumble, and Izzy can no longer fight against her attraction to this ever so frustrating, fine specimen of man. RESIST ME is an incredibly steamy read, chock-full of intense sex scenes, romantic suspense, and dominating goodness from the GALLO men. I always find myself falling hard for Chelle's hot, intense, and sexy as sin ALPHA's. It never fails that the alpha male who frustrates the hell out of me, also makes me swoon HARD! Izzy has met her match in James! Let the fireworks begin! *Gifted copy provided by the author in exchange for an honest review*
