Essential Elements 2000: Book 2 (Trombone)

Synopsis

(Essential Elements). (Essential Elements for Band and Essential Elements Interactive are fully compatible with Essential Elements 2000) Essential Elements for Band offers beginning students sound pedagogy and engaging music, all carefully paced to successfully start young players on their musical journey. EE features both familiar songs and specially designed exercises, created and arranged for the classroom in a unison-learning environment, as well as instrument-specific exercises to focus each student on the unique characteristics of their own instrument. EE provides both teachers and students with a wealth of materials to develop total musicianship, even at the beginning stages. Books 1 and 2 also include access to Essential Elements Interactive (EEi) , the ultimate online music education resource - anywhere, anytime, and on any device. Go to essentialelementsinteractive.com to learn more! Book 2 features: * Book 1 review section * Daily Warm-ups * Rhythm Raps, sight-reading and improvisation * Theory, history and multicultural music * Creativity and assessment * Instrument-specific etudes * Rubank Studies and solo * 12 full band arrangements, including a planned concert Book also includes My EE Library* (myeelibrary.com) - Instant Stream/Download/CD* ...with Play-along mp3 tracks for ALL exercises *Internet access required for My EE Library . Book includes instructions to order free optional CD.

Customer Reviews

We found out we needed this booklet a few days before my son's classes started, ordered and he was ready to go by the first day of band class. Pretty sure we did the same thing for book 1 about a year ago.

The band teacher said my kid needed this book for music class. I could either drive across town and pay a higher price, plus taxes, plus the gas money to go to an area that I never go to. Or I could order it here and get exactly what the teacher wants. BOOM, and here it is and I saved money. Thanks . XOXO

As a learner I have found this series of books excellent when used in conjunction with the Make Music software program. Book 1 is available from the UK but I had to get Book 2 from the USA. the cost of shipping doubled the cost of the book in effect, however it is still a good deal.

This series of books is used by almost all of the local school districts in their programs. It is an effective stalwart!

Brand new item as we expected it. The book was in Perfect condition, still in plastic wrap with all components

My middle school son plays trombone and is in the school band.....the book has helped him a lot

It does not appear to be the best book for beginners. Youngsters need more basics.

It took a long time before I got it, but it was good
