What Horses Teach Us 2015 Wall Calendar

Synopsis

Horse lovers everywhere know that there is much we can learn by watching and caring for horses. Whether blazing new trails, pulling a load, hurdling obstacles, or savoring a day in the meadow, horses of all sizes and colors have lessons to teach. In this companion book to the successful *What Dogs Teach Us* and *What Cats Teach Us*, Dromgoole's insight and humor are paired with delightful photos, culminating in a book that reminds us of what is meaningful in our lives.

Customer Reviews

The pictures are nice, and the little sayings are a good addition. It's got horses. I have been buying this calendar for a number of years now, and so far, it has always gotten the date right. :-)

My cousin Beverlee PattonAllen wrote "keep eyes behind", which is sold on . The horse is a major character. I purchased the calendar as a gift to compliment her work. She loves it! The spiritual messages are inspirational.

My 14 year old absolutely loves this calendar and the words on it is lovely!

This calendar was a gift to a horse crazy woman. She loved it

Decent is all I say, but for a good price.

This one was for me & besides the photos being fabulous..the sayings are a great reminder of what is important.

Beautiful calendar I got for my Mom. She loves it and uses the pictures for her art class to copy.

I bought this calendar for me because I love horses & riding. The pictures are spectacular!!
