Stroke: From Under The Mattress To Out In The Open

Synopsis

This volume is a historic retrospective of the erotic illustrations published in US magazines from the 1950s to 1990s. Although they were freely available, their often closeted readers put them under their mattresses. Stroke rediscovers these treasures and puts them together with vividly told stories and previously unpublished material. The book was composed by Hunter O'Hanian, director of the Leslie-Lohman Museum, and artist legend Robert W. Richards. It features works of over thirty artists, among other luminaries such as Tom of Finland, Harry Bush, Michael Kirwan, and George Quaintance.
