Customer Reviews

I found this coloring book to be absolutely funny. I am part of a "coloring circle" we all bring our books and spend a couple hours visiting coloring and drinking wine. Its our version of a "book club" lol. We have a running theme of who can find the most outlandish color book out there. I won this week with

this book. It so funny and a couple of the single girls laughed and said how they knew a few of the "guys" in this book. It is fun to color as well which is good. It is a great stress relief and you can definitely get a few good laughs while coloring. Disclaimer: I don't work for the company for whom I wrote this product review.
