A Book Of Things

Synopsis

Jasper Morrison has the ability to bestow things with a distinctive style. His signature style is evident in many of the everyday objects that surround us. His repertoire of essential designs is characterized by simplicity yet complexity, as well as a sense of poetry and humor. Morrison works on a global scale and is one of the most influential product designers in the world today. A Book of Things is a collection of products and projects across the broad spectrum of his activities and demonstrates the continuity of his interests and methods, which he describes in succinct texts.
