## **Customer Reviews**

Poorly formatted, even for a self published book. It has really wide margins along the edges (limiting the size of the boxes) and then the available space to draw the comic is limited by the binding. Much of the boxing occurs where the bend is at the seam, making it hard (especially for kids) to draw in that space. Fixing the margin could have prevented this issue. Will not buy again.

This book has a variety of pop art for you to use. My son loves creating his own comics and bringing

his imagination to life. The book came undamaged/packaged well, clean and had crisp sheets. Will order again when we run out of pages.

Gift for an 8 year old budding artist. She never puts it down.
