# 2017 Susan Branch 12 Month Desk Blotter

## Synopsis

Enjoy the watercolor and hand-letting of Susan Branch in a blotter calendar! The large date boxes almost guarantee you won't miss an appointment, birthday or other special occasion in 2017. Each page also offers a notes section. Place it on your desk or hang it on the wall. All calendar pages are printed on FSC certified paper and use environmentally safe inks. See "below" note:  
Note: Due to a glitch at the printer, the 2017 calendars have been printed on a lighter weight paper than usual. This will be fixed for next year. The color is still gorgeous, Susan's artwork is delightful as always, the calendars will look just the same hanging on your wall, or displayed on your desk top, pen marks do NOT go through to the other side of the pages, the paper and cardboard backing are still safe for the environment, but the calendar papers aren't as heavy this year and we, as the manufacturer, and Susan, as the artist, wanted you to know, so you can judge your value accordingly.

## Customer Reviews

A must for my kitchen every year ! This is the full size calendar based on the price I thought it could be the mini which I have at work. Further I the product description they indicate a thinner paper was accidentally used which may explain the cheaper price. The quality is still very good and marker won't bleed into the next page. We are already enjoying the months looking forward to using it next year.

Always a pleasure to have this on my wall. Great artwork by Susan Branch on every page, plus wise and wonderful sayings. Love saving the outrageous shipping costs from Susan Branch's website, too.

Love anything Susan Branch!

Another lovely calendar filled with quotes and artwork! So pretty to look at each month!
