Customer Reviews

I purchased three copies of this book for older folks who all grew up in Quincy, and they were thrilled. They loved being able to revisit their city and reminisce. Before I purchased, I had a couple of questions that I emailed to the author, John Galluzzo, and he very graciously answered everything I requested.

It brought back many memories, I showed it to a few people and they asked where they could get it. I told them so I hope you get a few more sales from it. The book was and is great. One of my best purchases

I have lived in Quincy all my life and was very happy to look at the old and new via postcards.

everyone loved this book, photos especially. It got passed around to everyone on Christmas Day.

Great book with awesome then and now pictures.
