Customer Reviews

This coloring book reminds me of my kidos delight with "My Little Ponies" and "Rainbow Brite." Children and anyone who like anime style drawings will like this coloring book. There is lots of different things to color in this book.

I'm reviewing under my husband's account since I order every thing on his because he has Prime. This book is so cute! I like it because it would work for kids or kids at heart! :) My 4 and 5 yr olds love this book so I have to fight them for a page. Lol If you like Kawaii things, definitely try this!

SUPER cute coloring book!!! A friend bought this for me because she knows how much I love to color. At first I giggled a little, the cuteness was too much, but this book has been sooooo much fun to color!!

Very cute! I purchased one for myself and one for a friend. I hope to see more kawaii books from this seller. I'd definitely buy. ^ ^

I was truly excited when I received this coloring book. Perfect for those who are still a child at heart! My two year old loves to help too!
