## Customer Reviews

I purchased this for my junior high age son to practice his viola over the summer. I am very happy with the song choices and it will give him enough variety to keep his skills honed before he returns

to school in the fall.

This is the 2nd of 3 books I bought to teach me the viola. It is a fantastic book. The only thing it's missing is the CD with ALL the songs. It comes with a CD containing about 1/3 of the book's music, so that was a bit of a let-down, but otherwise, I can actually play the viola, so it's a bit of a miracle worker, along with a lot of practice!

My kids take lessons with an absolute master violinist with 50 years experience and this is the book he insists on using. They are very easy to read and well laid-out. The books follow a logical progression to understanding the instrument and have served both my children well for violin and viola for several years.

The Book 1 and 2 were in excellent condition, New. Doesn't come with a cd but a card to request for one or to download. My daughter already used Book 1 before, we replaced her old one. Great book to learn from and easy to use.

I love these books. I'm teaching myself viola and really needed some pictures and visuals to help me. This book is perfect for self teaching.

This book has great instruction and fun, challenging pieces to learn. I highly recommend it. I have book 1 and plan on getting Book 3, if there is one. You can truly learn to play from this book.

Received what I ordered. I am happy with option to request CD or download accompaniment. We requested the CD and it came to us in 1 week.

I ordered sheet music for my 10 year old daughter. When it arrived, I discovered that I had ordered the wrong item and requested a refund. My labels were emailed to me with an expiration date. I returned the item at the VERY last minute due to the devastation of Hurricane Sandy. When this merchant issued my refund (including shipping), he took the time to send his wishes for my family's safety and well-being. A heart in this world deserves recognition, support and long term success. Thank you Markdown Music, you have earned lifetime customers in myself and my daughter.
