Customer Reviews

I bought this for work so my crew would have something fun and cute to look at. Although it is much bigger than the calendars we have bought it in the past. Everyone loves it. I only wish that there were more months in a year for more 1986 cats.

I have no idea how I came across this calendar. I don't even remember what I was searching for but it caught my eye and I'm glad I went for it. I didn't bother to look very closely at the preview on the back, and I don't regret it because it was a RIOT going through the pages the day it arrived. The frakking Golden Girls scene... DEAD. This calendar cracks me TFU! If you *love cats and also happen to *have a fantastic sense of humor, then don't even waste your time browsing countless inferior datebook offerings, this is the one for you.*If neither of these apply to you, then you are what's wrong with the world today and the only business you have owning a calendar is to check off the years until you are released from prison :)

I LOVE this calendar! Being a cat lover and a child of the 80's, this was a match made in calendar

heaven. I gave it 4 stars because the paper used is pretty thin and when you write on the calendar, it transfers ink from the pictures on the other side to next month's dates.

In the last few years I started a tradition of sending my sister a funny calendar for her birthday in January, this one definitely fits the bill! She keeps it at work and sends me pictures when the months change, its a crowd pleaser for sure. Highly recommended if you love cats... or the 80s.

Every time someone comes into my office they either look at me sideways or laugh at how silly the calendar is. I've even had people come back every month just to see what's next. Best calendar I've had in years.

I hope I can buy a calendar like this for the entirety of my life. So hilarious.

My cat crazy friend who grew up in the 80's absolutely loved this. I hope they make another for 2017.

Love this kitty calendar! All the pictures are hilariously cute!
