Customer Reviews

Ordered this as a Christmas gift for my dad who loves quarter horses and anything western.

However, when I received this calendar and saw the other pictures in it, I was a bit disappointed. A lot of the pictures were of women riding horses or in long flowing dresses. This calendar would have been fine for me (I'm female) and there was nothing wrong with the calendar itself (hence the four star rating) but it was not appropriate for an older married male. I wish there had been some way to see the other pictures for each month before purchasing. I ended up buying a different horse calendar from the dollar store and gave this to a younger male friend who I knew would enjoy the pictures more!
