The Art Of Castle In The Sky

Synopsis

The definitive examination of the art and animation of Studio Ghibli's masterpiece of fantasy and flight, *Castle in the Sky*! The latest in the perennially popular line of Studio Ghibli art books, which includes interviews, concept sketches, and finished animation cels from classics such as *Spirited Away* and *My Neighbor Totoro*. Hayao Miyazaki's *Castle in the Sky* was the first feature film produced by the legendary Studio Ghibli. Sheeta, a girl who has the power to defy gravity, is on the run from pirates when she meets the young inventor Pazu. Together they explore the secrets of Laputa, a flying city constructed by a long-lost race of people. All of Miyazaki's major themes—the power of flight, the bravery of young women, and a world wrecked by change—are captured with beautiful animation and joyous storytelling.
