Customer Reviews

Arrived early and in great condition but I would not have ordered it if I could have seen all the pages first. It is fine for a first "coloring book" for an adult to color but the designs are very simple. If you like the more detailed drawing to color you will be disappointed. I will probably re-gift this one!!

Nice pictures but the link to get pdf in back of book doesn't work you can type it in but its so long and it wont let you copy it you have to write it down and type it . too much work for a color book.

What a great way to reduce holiday stress. Perfect gift for the friend who has everything. So much fun.

Highly recommend. Lots of beautiful holiday pictures. I love that I can print them again and again.

Nice pictures to color. Some of them were repeats from other books that I already have, though. But, despite that, the images are nice.
