Customer Reviews

From Wild West Boogie to Tijuana Trolley all 18 songs are great. I really enjoyed learning to play piano with this book. If you are a beginner to piano and are wondering where to start the Bastien Piano books are a great start. When I started I had no clue what series to start with. The Bastien or the Kasschau series? Should I do Theory or just skip it? All of these questions, and more, flipped through my head. This is the place to start. The Bastien Piano Basics books are great. I learned how to play piano by them. 3 years later I am a great piano player and I really enjoy it. This Book is a great one of the series because it has some songs that you know, like La Cucaracha and The Washington Post March, and some you don't, but will still enjoy, like Jumping Jacks and Fireworks. This is a great book for everyone to enjoy.

Wish I could see a song or two inside to determine the level. This was more advanced than I needed.

Yes. Thank you. All was fine.

Thx
