The Battle Plan For Prayer: From Basic Training To Targeted Strategies

Synopsis

Inspired by the Kendrick Brothers' new movie, War Room, this exciting new resource from the number-one best-selling author team behind *The Love Dare* and *The Resolution for Men* is designed to help anyone learn how to become a powerful person of prayer. *The Battle Plan for Prayer* begins with prayer's core purpose, its biblical design, and its impact throughout history. Listeners will be guided scripturally through the fundamentals of how effective prayer works, inspired toward a closer, more intimate relationship with God, and shown how to develop specific prayer strategies for each area of life. Prayer can accomplish what a willing God can accomplish. It should be your first plan of attack in all of life's battles, not your last resort. If you want to experience the joy of mightily answered prayer, then it's time to engage with God at another level.

ASIN: B018Y4YCTS

Best Sellers Rank: #79 in Books > Audible Audiobooks > Religion & Spirituality > Christianity
#882 in Books > Christian Books & Bibles > Christian Living #2729 in Books > Religion & Spirituality

Customer Reviews

I bought this book out of desperation. I have found myself facing the darkest road I have ever had to travel in life and I have been seeking the LORD like never before. This book drives you to your knees and shows you how prayer works and why it is so effective. It isn't a magic potion to get what you want, but it is a life changing gift from God that molds you into the person that God has freedom to use to bring Himself glory. Being a prayer warrior is a calling on every born again Christian and if you need to know the "hows" and "whys", I would highly recommend this book!

Written in the format of a true battle plan, the book is divided into seven sections. Enlistment, Basic

Training, Conditioning, Strategies, Targets, Ammunition and Reinforcements. Each section contains several chapters further breaking down a piece of that topic. Very practical and specific, each chapter is about six pages long. Read a chapter a day for five weeks or just dig in! Be sure to have a highlighter in hand as there are many nuggets of wisdom. This book will be a resource to be pulled out again and again. The Prayer Strategy Verses and Names of God in the appendix are so practical and great tools for immediate use as you take your prayer life to a new level.

Inspired by the Kendrick Brothers' new movie, War Room, this exciting new resource from the #1 best-selling author team behind The Love Dare and The Resolution for Men is designed to help anyone learn how to become a powerful person of prayer. The Battle Plan for Prayer begins with prayer's core purpose, its biblical design, and its impact throughout history. Readers will be guided scripturally through the fundamentals of how effective prayer works, inspired towards a closer, more intimate relationship with God, and shown how to develop specific prayer strategies for each area of life. Prayer can accomplish what a willing God can accomplish. It should be your first plan of attack in all of life's battles, not your last resort. If you want to experience the joy of mightily answered prayer, then it's time to engage with God at another level. I purchased this book as an addition to my own personal study on Prayer. And I am glad that I did. This is a great book that will help the reader to develop their personal prayer life and bring it to a vibrant and effective level. There are several sections to the book. Included are chapters on the ultimate purpose of prayer, the types of prayer, the postures of prayer, the locks of prayer, the keys of prayer and much more. Other sections include: the Word of God, the will of God, praying offensively, praying preemptively, praying defensively and a dozen or more chapters too numerous to list here. If you want to dig deeper and bring your own personal prayer time to an entire new level, this book is the resource for you. If you want to develop your existing church prayer ministry, this is the resource for you. If you are looking for the how-to's of starting a church prayer ministry, this is the resource for that too. This book was inspired by the upcoming Kendrick Brothers' movie War Room which is scheduled in fall 2015. I am a fan of other movies by this dynamic and Godly team, I am very much looking forward to this movie! *Disclaimer: I did not receive this book from a publisher, I personally purchased this book. The opinion in this review is mine, and no monetary compensation was received for this review. *Reviews of this book were posted at the following locations: Christian Book, Deeper Shopping, Goodreads, and to be featured on my blog at <http://titus3.wordpress.com>

Don't be confused, the cover blurb does not say "based on the movie", it says "inspired by the feature film War Room". As I write this the movie hasn't been released yet, so I haven't seen it, but the book is about prayer, and the War Room is apparently about prayer, so there you go. As a pastor I'm always looking for ways to encourage people to pray, and from time to time I also need to be reminded myself of just how important prayer really is. With *The Battle Plan for Prayer: From Basic Training to Targeted Strategies*, (B&H Publishing, 2015) Stephen and Alex Kendrick have written a book which fills both of those needs. The 35 chapters of this book cover a wide spectrum of prayer topics: what prayer is and isn't, the why, what and how of prayer, even how to develop a prayer life, and even a section called "Targets" that lists people to pray for, and some ideas on how to pray for them. The suggestion is to use this book as a type of devotional, reading one chapter a day, and spending several weeks to go through it. Each chapter is short, and should only take a few minutes to read. There is also a prayer at the end of each chapter, focusing on the topic for the day. The several appendices cover a variety of topics, and there are even discussion questions to help you go a little deeper or at least prompt the reader to think through the passage carefully. This is an easy read, and provides a lot of useful information on prayer, but at times I felt the authors should have gone a little deeper into the topic of the day. If the intended audience is the group of people who will become interested in prayer after seeing or hearing about the movie, then this may be all that is needed, but if the readers of this book are already praying and interested in further developing their prayer life, there are other books which will do more than give them ideas. I received a copy of this book from Icon Media Group in exchange for a review. 4/5
