Customer Reviews

Max Stern has written an accessible survey of the entire history of the influence of the Bible on Western Music. Any musician with an interest in the Bible and its influence on music should own and read this book. Bible & Music: Influences of the Old Testament on Western Music Max Stern address erudite philosophical and spiritual concepts and connects them to the art and craft of the composers setting dramatic stories from each book of the Old Testament to music. His astute commentary on the compositional techniques used to bring the Biblical dramas and spirit to life through music is very insightful. His authoritative historical listings of the extensive works of musical art based on the Bible is a very valuable contribution to general musical knowledge. "Bible and Music" belongs in every public and university library as an important work of reference, and should be read by everyone interested in the Bible and Music. Daniel Morgenstern MM (former Principal Flutist of the Jerusalem Symphony)
