The Benefits of Coloring for Adults Coloring is the perfect way to relax after a tough day and great for enhancing your creativity. For many, coloring a beautiful image can be a form of meditation. It allows you to enter the flow state in which you are in the moment, actively focusing on what you are doing and blocking out all distractions around you. Stressful thoughts and future worries can be simply pushed aside as you take time to enjoy the present moment. We live in an incredibly busy world. Our pace of living is often full speed and our minds are continually jumping from one thing to the next. It is very beneficial to disconnect and give yourself a break. Your mind needs time to sort out all the information it receives and your body needs time to simply unwind. Coloring can provide that calming break. Coloring is such a simple relaxing leisure activity and best of all you get to create beautiful artwork too! Here are some other benefits of the art of coloring: Color on your own or with friends and family. Coloring can improve performance at work through enhanced focus. You can display your finished artwork in the Home or Office. You can give your finished artwork away to friends and family for special occasions. Coloring strengthens the creative side of your brain. Coloring helps to build fine motor skills. Coloring is an amazing form of self expression. Grab your supplies, find a quiet space and enjoy this peaceful activity! ## Customer Reviews

I have so many Mandala coloring books but this one is different because of the quotes. I absolutely love the quotes under each illustration. They have been inspiring me while I am coloring. The designs are also cool too, mandalas are mandalas so some are more detailed then others but mostly your normal idea of a mandala. The best part are the quotes, they are so inspiring and also from a variety of thinkers and topics. thanks
