Color Your Own Young Marvel By Skottie Young

Synopsis

Grab your pencils, crayons and pens and go to town on Eisner Award-winning Skottie Young's ever-adorable art! Loads of Young's "Little Marvel" covers, together with unfeasibly cute pages featuring Rocket Raccoon, kiddified Avengers and plenty more, have been stripped down and rendered in crisp black-and-white - ready for your imagination to take over! Chaos or order, it's up to you! You want an orange and purple Spidey? You got it! You're turning Black Bolt pink? Fine! You like your Hulks green and red, only both at the same time? Polka-dot yourself out! But swapping Cap's red, white and blues for yellow, indigo and ceruleans? Why, that's downright un-American! Rediscover the pure, unadulterated joy of coloring - Marvel-style!

Book Information

Series: Color Your Own!

Paperback: 120 pages

Publisher: Marvel; Clr Csm edition (June 21, 2016)

Language: English

ISBN-10: 0785195556

Customer Reviews

This coloring book is simply excellent fun. For anyone who enjoys Marvel Comics, the designs in this book can bring a smile to your face. Who would think that the good guys and the bad guys were such adorable youngsters. As soon as the coloring book arrived, my husband and I started a bit of a tug-of-war over it. I won but we are ordering a copy for him as well. I'm hoping to see more of this type of comic coloring book in the future. The printing and publishing of the book is spot on with one sided printing and perforated pages. I plan on doing some designs in the traditional colors of garb associated with each character but then I want to play a bit with color and give them my version of their costume. My only problem with the book was deciding which character(s) to start with. I definitely did not start with the first page and go from there. I looked for something fun and

found Deadpool. He was fun and easy to color with alcohol-based markers with a little colored pencil accent as well. This is what I experienced while coloring in this book and testing my color medium on the paper: 59 Young Marvel character designs in a slightly smaller format Designs are printed on one side of the page Paper is medium weight, white, slightly rough, and perforated Glue bound but you can easily remove pages at the perforations Design may cross over the perforations by a tad but nothing of importance will be lost if you remove a page from the book. Easy to get at all corners of the design (though many designs reach extend border of the page on three sides.
