I didn't know what 10 stave looked like. The lines are a bit to small for my purposes. I am writing songs and adding music. I need to be able to see the end result from a distance of about 3 feet. Use this while playing my Autoharp. I now know that 6 stave or 8 stave suit my purposes better. Nothing wrong with the paper...just part of this learning experience.

It's a good cheap book.

Such a great quality notebook. Manuscript paper with 10 staves is perfect for it has enough space to be clear and still enough staves to keep it all in one page (most of the time). I have just recieved it but I can clearly see it's a good quality one. Gonna buy more soon.
