Customer Reviews

I didn't realize the recorder was going to be a cheap plastic red recorder. I guess I thought it would be white like the picture and better quality. This recorder looks like one you can buy at the dollar tree for \$1. You're mostly just paying for the book here, but a better recorder.

Bought this for my husband so the family could all learn the recorders, he is a huge star wars fan so he gets to pick which songs we learn, it has a nice tutorial for beginners-like all of us.
