About Two Squares: A Suprematist Tale Of Two Squares In Six Constructions

Synopsis

First published in 1922 in post-revolutionary Russia, a revolutionary childrenâ™s book by Russian avant-garde artist El Lissitzky (1890â“1941) is available once more, for collectors and art and design enthusiasts. Imagination-stretching, radically simple, and yet beautifully sophisticated, About Two Squares tells the story of two squares that take on the mission of rebuilding the world. Inspired by Kazimir Malevichâ™s suprematist vision of a nonobjective art, About Two Squares stirred up the European art world with its publication in Theo van Doesburgâ™s avant-garde art journal, De Stijl, and redefined what an illustrated book could be. Left wonderfully open-ended, the bookâ™s final wordsâœ and then . . . âœ encourage young readers to reinvent the world for themselves.

Book Information

Hardcover: 24 pages

Publisher: Tate (May 5, 2015)

Language: English

ISBN-10: 1849762570

ISBN-13: 978-1849762571

Product Dimensions: 10.2 x 0.5 x 12.2 inches

Shipping Weight: 1.1 pounds (View shipping rates and policies)

Average Customer Review: 3.5 out of 5 starsÂ See all reviewsÂ (2 customer reviews)

Best Sellers Rank: #355,036 in Books (See Top 100 in Books) #175 inÂ Books > Arts & Photography > Individual Artists > Artists' Books #63348 inÂ Books > Children's Books

Customer Reviews

.... as the other reviewer said... it did come dirty and with noticeable wear and tear in the cover. Those books are not new (and are badly stored) and it seems they're only getting rid of them for some reason....

It's an awesome book but the copy I got was dirty
