This big beautiful bitch adult coloring book is very nice. The pages are nice and dark black and the saying are funny and the designs are of higher quality. The pages are also printed without any smears from the ink, which i have seen some slight smears in other books with the black pages. Sadly what disappointed me about this book is there was only 21 pages inside which I felt a little short changed but I guess at \$4 I really cannot complain too much. Overall this is a great coloring book for the ladies like me who love to cuss and color and definitely worth it as long as the price stays under \$5. Could recommend.

It was purchased for our youngest daughter (adult in her 30s) to cheer her in her third bout with

Cancer. It made her laugh, so it succeeded. Actually, I find it crude, rude , and possibly designed for the socially maladjusted (but I am an ordained Christian Minister so my perception may be hindered somewhat).

Exactly what I hoped it would be! This is a beautifully done coloring book. Highly recommended.

Absolutely amazing color book!!!! I am a big beautiful bitch!!! Don't forget it.

Great fun present for a friend that was down
